COMPLETING PACIFIC LIFE PRODUCT TRAINING

Step 1

Financial Professionals (FP) can now complete Pacific Life product training at www.annuities.pacificlife.com.

You must be appointed with Pacific Life and registered on our website. Once you are logged in, click on the *NAIC Product Training* link on your Dashboard.

Step 2

When you get to the NAIC training screen, you will see the current training modules and it will say *View Training* if they haven't been completed. There are 3 different modules, one for variable annuities, one for standard fixed annuities and one for fixed index annuities. To view any of the trainings, click on *View Training*.

Step 3

This will open the PDF training module in a separate window. Once you have completed the module, you will need to close the PDF.

Insurance products are issued by Pacific Life Insurance Company in all states except New York and in New York by Pacific Life & Annuity Company. Product availability and features may vary by state.

For broker/dealer use only. Not for use with the public.

Step 4

After the PDF has been closed, you will see a button to *Acknowledge* that you completed the training. Click on this button to complete the training.

Training Acknowledgement for Course: F27041-18A

I understand I must follow my broker/dealer's processes for submitting business, and the availability of these products is subject to my broker/dealer's approval.

I confirm that Pacific Life makes available for my review and client use the applicable variable annuity prospectus and the fixed annuity contract summary disclosure which have detailed information about the annuities and available optional benefits. I hereby attest that I have thoroughly reviewed and understand the contents of the foregoing Variable Annuities and Fixed Annuities modules designed by Pacific Life to meet product training requirements under state suitability or other laws. I understand that my completion of this training is a prerequisite to my recommendation for sale of an annuity to a prospective applicant. I declare the above statements are true and accurate to the best of my knowledge.
